

Downshall's Community Unity Festival

Messages from Parents & Children

"We all should know that diversity makes for a rich tapestry, and we must understand that all the threads of the tapestry are equal in value – no matter what their colour". Maya Angelou

"I wish for peace and harmony for the whole world". Von Le Doux

"Please can you pass on our thanks to the Headteacher for such a thoughtful letter and actually focusing on the vulnerable children who, quite rightly so, get confused and upset with what is displayed on the news".

"I think that this festival is a great way of trying to rekindle our community as one again. It is very disheartening to see such things going on in the world which is why it is so important for us to be aware that we live in a society of different faiths and cultures. It is our responsibility to live in harmony and have love towards others and their beliefs. I would like to say thank you on behalf of our community for carrying out such an event". Aimee Khalid
